

TUBING AND SLEEVING

HEAT SHRINKABLE

- Materials:
 - Kynar
 - Neoprene
 - Teflon
 - Polyolefin
- High Shrink Ratio
- Adhesive Lined
- Cable Markers

NON SHRINKABLE

- PVC, Teflon & Silicone
- Conduit
- Expanded Monofilament Braid
- Fibreglass Braid
- Coated Fibreglass

HEAT SHRINKABLE COMPONENTS

- Molded Shapes
- Connector Boots
- Solder Sleeves
- Shield Terminations

EMI/RFI SHIELDING

- Conductive Elastomers
- Sheets, extrusions, moldings
- Wire mesh gaskets
- Connector gaskets
- Conductive foil tapes
- Ferrites
- Beryllium copper fingerstock
- Conductive adhesives sealants & coatings
- Cable Shielding
- Engineered laminates
- EMI test facilities
- Complete design & fabrication capabilities

PRESSURE SENSITIVE TAPES

- Kapton
- Fibreglass
- Teflon/Teflon Coated Fibreglass
- Mylar
- Copper - conductive/non-conductive PSA
- Aluminum
- Conformal coating mask
- Wave solder/reflow mask
- Die cut dots and shapes
- Double-sided
- Silicone rubber
- Water soluble & Antistatic
- Environmental sealing

THERMAL MANAGEMENT MATERIALS & HARDWARE

- Thermally conductive elastomeric insulators
- Gap fillers
- Flexible heat spreaders
- Phase change materials
- Thermally conductive adhesive tapes
- Fans & Heatsinks
- Complete design and fabrication capabilities

CONNECTORS

HIGH RELIABILITY PUSH-PULL CONNECTORS

- Multi Pin/Coax/Triax
- High Voltage/Hermetic
- IP 50-68, PCB/Panel Mount
- Metal/Plastic/Limited-Use Disposable Medical Connectors
- HDTV Broadcast

MIL-AERO CONNECTORS & BACKSHELLS

- Mighty Mouse
- Reverse Bayonet MIL-C 5015
- Micro D/Nano
- Fibre Optic, Hermetic
- High Density Mil-Std Cylindrical Connectors
- Geo-Marine
- Circular/Regtangular
- EMI/Environmental/Composite Backshells
- Plastic/Metal-Core Convuluted
- Connector Accessories

ENVIRONMENTAL CIRCULAR PLASTIC

- Waterproof, Signal/Power
- USB, RJ45, BNC
- M8/M10.5/M12, RF Marine
- Mini DIN, IEE1394
- Solder/PCB/Panel/Cable
- Overmold Watertight
- Waterproof Field-Attachable

RF CONNECTORS & CABLE ASSEMBLIES

- SMA, SMB, SMC, IPX, MCX
- MMCX, BNC, TNC, N, UHF
- Mini UHF, F, G, 7/16
- Standard & Custom Assemblies
- MC Card Connections
- RF Adaptors & Accessories

CIRCULAR PLASTIC CONNECTORS

- Con X Line - Power and Signal Multi Pin
- Mil-E-Qual - Plastic 5015 Equivalents
- Sensor-Link Line - M12/M8
- Environmental & Overmold Backshell abilities

INDUSTRIAL RECTANGULAR CONNECTORS

- HAN Regtangular Multi Pin
- IP20-68
- Industrial Ethernet
- High Current

ASSEMBLY AND PROCESS

- Heat Guns
- Conveyor Ovens for Heat Shrinking
- Marking Equipment and Systems
- Temporary Solder Masks
- Solvents and Wipes
- Custom die-cut masks
- Solder wick

ADHESIVES & CHEMICALS

- Conformal coatings
- Structural adhesives
- Potting/impregnating compounds
- Silicone RTVs
- Temporary solder masks
- One part/two part systems
- Thermally & electrically conductive compounds

FILMS, COATED FABRICS, SILICONE SHEET & EXTRUSIONS

- High performance fluoropolymer films
- Release liners
- Coated films
- Teflon coated fabrics
- Silicone coated fabrics
- Solid silicone rubber sheet
- Silicone sponge rubber sheet
- Silicone foam sheet
- Thermally and electrically conductive sheet
- Silicone extrusions

SERVICES

- Precision tape slitting
- Complete gasket fabrication
- Custom Die-Cutting, both platen press & rotary
- Tubing & sleeving cutting
- Printing and Laminating
- Kitting/Assembly
- Identification Labels
- EMI Testing
- Dedicated Inventory programs
- Product Application engineering
- Detail engineering support for custom designed product

PRINCIPALS

- BRADY**
- Wire identification products
 - High performance labels
 - Printers and Software
- CHOMERICS, INC.**
- EMI Shielding Systems
 - Electrically conductive materials
 - Thermal Management materials
- CONXALL**
- Harsh environment connectors
 - Custom molded cable assemblies
- DELFINGEN**
- Protective & Expandable Sleeving
 - Lacing Tape & Cord
 - Teflon Tubing
- DSG-CANUSA**
- Polyolefin, fluoropolymer, PVC and heat shrinkable materials
 - Low and medium voltage
 - Medium/Heavy Wall
 - Heat Shrink Sealed Connectors
- DUNBAR**
- Heat Shrink Tubing and Products
- FISCHER CONNECTORS**
- High Reliability Push-Pull Connectors
 - Multi Pin/Coax/Triax/High Voltage
 - Hermetic, IP 50-68, PCB/ Panel Mount
 - Metal/Plastic/Limited-Use Disposable Medical
 - HDTV Broadcast
 - Solutions for rugged & demanding environments

PRINCIPALS (CONTINUED...)

- GRAYLINE, INC.**
- Extruded tubing products
- GLENAIR, INC.**
- Mil-Aero Connectors/Backshells
 - Mighty Mouse, RB MIL-C5015
 - Micro D/Nano/Fibre Optic
 - Hermetic and Geo-Marine
 - High-Dens.Mil-Std Cyl Connectors
 - Conduit Systems
 - EMI/Environmental/Composite Backshells
 - Plastic/Metal-Core Conv.Tubing
 - Connector Accessories
- HOFFMAN ENGINEERING**
- Night Vision equipment
 - Photonic Test equipment
 - Aircraft & Engineered Lighting
- LIGHTHORSE TECHNOLOGIES**
- RF Connectors/Cable Assemblies
- LTW**
- Environmental Circular Plastic
 - Waterproof Signal/Power
 - USB, RJ45, BNC
 - M8/M10.5/M12
 - RF, Marine, Mini DIN, IEEE1394
 - Solder/PCB/Panel/Cable
 - Overmold Watertight/Waterproof
- LUMBERG**
- Connector systems & components
 - Electromechanical and electronic
- SAINT-GOBAIN**
- CHR Pressure sensitive tapes
 - Silicone Rubber Sheet
 - Fiberglass pressure sensitive tapes
 - Teflon coated fiberglass & fabrics
 - Aerospace tapes, films and release materials
 - Norton foam Tapes
- PARKER-TEXLOC**
- Fluoroplastic tubing products
 - Convolute tubing
 - Heat Shrink tubing
- VENTURE TAPE**
- Pressure Sensitive Adhesive Tapes
 - EMI Shielding Tapes
 - Medical, Insulation & Splicing Tapes
- WESTERN FILAMENT**
- Expanded Monofilament Sleeving
 - Lacing Cord
- ZEUS**
- high performance fluoropolymer tubing
 - extruded tubing
 - heat shrinkable tubing
